P R O F I L E

A goal-oriented Entry Level Frontend Developer with knowledge of HTML, CSS, JavaScript,Type Script and React seeking to use technical proficiency and creativity to develop engaging user experiences and advance in a professional career. Looking to leverage effective debugging, code optimization and project collaboration capabilities to produce applications that exceed user expectations.

My current main goal is speak English fluently like a native speaker,find the first job in the IT field and become a middle within one years.

E X P E R I E N C E
